Naji-Jamileh Awad
Beit Sahour Association Aid
Switzerland

Dear Sir/Madam,

Greetings,

In the name of The Arab Orthodox Club Scouts Group – Beit Sahour, its leaders and members, we wish to express our most sincere and heartfelt gratitude for your extremely generous donation to our scout garden project, which started as a dream and now became a reality.

The construction of our garden has been finished at the end of June, 2012. We started welcoming the children, youth and families starting of July. Our garden got the attraction of the families because it's lovely view and as a safe place for their children.

Since then we have welcomed many birthday parties, family gatherings especially celebrating the Tawjhi and University graduates. Our garden works 7 days per week from 4:00 - 10:00 pm.

The work:-

- 1- Infrastructure and basis for the toys.
- 2 - Weeding the garden and putting new artificial grass (grass-covered)
- 3 - Toys for children.
- 4 - Fence to protect the Garden
- 5 - Complete plantation around the garden.
- 6 - Aluminum windows
- 7- Garden illumination (five External projectors, bathrooms and kitchen)
- 8 - Electrical Panel
- 9 - Dish and receiver to display entertainment (Euro 2012 matches).
- 10 - Drain pipes for toilets and kitchen
- 11 - Toilets and sinks.
- 12 - Water irrigation pipes and pumps.

Note: Just I would like to point that our scout group has spent an additional (11.000 Nis) to cover the expenses. Attached in the CD you can see our dream that come true.

Thank you again and may God bless you.

Sincerely,

Majeed Hawwash
Arab Orthodox Club Scouts group
